Arrival: 09.15
Start: 09.30 – 14.00 (Including lunch)

3rd Floor
Central London Community Health Trust Academy
1 Frith Street London W1D 3HZ

#CancerCoP

Agenda

Purpose for today

- Spotlight on community nursing in relation to cancer
- Reflect on community engagement in relation to early diagnosis of cancer and health inequalities
- Consider the benefits of working across boundaries to improve patient outcomes and experience
- Opportunity to develop professional networks across London with colleagues in a range of roles, across sectors.
